210 DEVON AIR AMBULANCE: USE OF LANDKEY FOOTBALL PITCH AS A LANDING AREA

Toby Russell, Devon Community Landing Sites Officer attended the meeting.

He stated that the proposal was for an Air Ambulance night landing site. Currently there were 144 night landing sites and by next year about 220. The football pitch had been assessed and was considered an ideal site for such a landing sight. A single 10m column with 2 LED lights would be required operated via a mobile phone. Planning permission would be required and he would

assist with putting together the application. The column would need to be sited on the northern side of the pitch at the halfway point to optimise the lighting of the pitch.

He further stated that the costs of the equipment and installation would be £5,721.10 + VAT. Devon Air Ambulance would be able to offer the Parish Council a grant of £2,877.42 to cover the labour costs. The equipment costs would need to be funded by the community.

Mike Batten stated that he had written to a couple of local charities and obtained some pledges from parishioners. He further stated that the Parish Clerk had submitted a grant application for £1,200 to DCC Councillor Edgell.

RESOLVED:

- i) That to raise awareness and seek Community involvement in the project it be advertised in the Newsletter again and on the Parish web site and Landkey Facebook page
- ii) That the use of the Landkey Football pitch as a night time air ambulance landing site be agreed.
- iii) That the tender from MAT Electrics of £5,721.10 to provide the capital equipment and installation be accepted and the required planning permission sought

211. COMMUNITY AND ALLOTMENT LAND, BIRCH ROAD - UPDATE

Allotment Land

The Chairman reported that the draft Allotment lease and letting agreement had been sent to the Allotment Association for comment. He stated that a hardstanding area had been created and the digging of the ground had commenced and most of the plots had been allocated.

Community Land

The Chairman updated Council on the informal get together of Councillors to consider the way forward to provide a Community Centre on the site.

It was agreed:

- i) To raise Community awareness that the land is now in the ownership of the Parish Council and its intended use for the provision of a Community Facility and that the Council will be looking to engage the Community in the project in due course.
- ii) That arrangements be made for Councillors to visit 2/3 built Community facilities in the area
