ARE YOU NEW TO LANDKEY, IF SO WELCOME.

Do you know we have a great Shop/Post Office "Lyncroft Stores", that can provide many of your needs including newspapers, just pick up your supplies on the way to or from school.

"Willow's Tea Room" serves delicious homemade cakes and savories, plus a selection of various coffee's, tea's or soft drinks. A great place to meet up with your friends, (dogs welcome) Look at the menu on the notice board.

"The Castle Inn" serves drinks and food with live music occasionally.

"The Village Hall" is used by many groups that hold meetings/events for all ages and it can be booked for private parties., See next page for details.

There is the "Ladybird Nursery and T & D Childcare for pre school child care.

We are also lucky enough to have the Millennium Green with it's lovely Mazzard trees and large green area in the middle of the village with plenty of room to play or walk with seats to just sit and chill with friends or for a few quiet moments on your own.

There are 2 football pitches and several childrens play areas around the village and of course the new MUGA (Multi use games area) between the Millennium Green and Mazzard View.

Please use the facilities in Landkey and let us be a pleasant village and not just a commuter village.

The newly painted bus shelter at the Vicarage Lane end of the village paid for by the Parish Council.

Lyncroft Stores is looking for a charity to support this year. If you have any suggestions please let Janette or John Know. One suggestion was possibly a second defibrillator unit..

The defibrillator unit that was purchased by donations through Lyncroft Stores along with money from the Parish and District councils is now in position outside Lyncroft Stores

St Paul's Church

We extend a warm welcome to all who would like to join us for Anglican Christian worship at our parish church. New worshippers are especially welcome: if you are considering coming to church for the first time, or after a long break, you do not need to worry that you would be expected to participate in anything that you didn't feel comfortable with! Feel free to come along and find out whether taking part in worship at St Paul's is for you.

Our Sunday services are usually held at 10:30am and Holy Communion is typically offered at least twice per month. A Family Service, which does not include Communion, is held on the first Sunday in the month. These services are enjoyed by the families who come along and they usually include a themed talk aimed at children on a well-known topic from the Bible.

Diary Dates:

Family Services: Sundays **5th May and 2nd June** at 10:30 am

Mothers' Union: **22nd May and 26th June** at 2:30 pm in the village hall.

Garden Party: **Saturday 29th June** at The Old Manor, Landkey

Changes to some North Devon parish boundaries given the go ahead

Changes to some North Devon parish boundaries have been given the go ahead to bring them in-line with ward boundaries. -

At North Devon Council's Full Council meeting last night (Monday 25 February), councillors agreed with recommendations in a report to proceed with proposals to review the boundaries. The areas affected are: • Mill on the Mole, South Molton – move to South Molton parish and district ward. - Westacott, Landkey – move to Barnstaple parish and Westacott parish district ward. - • Mount Sandford Green, Landkey – move to Barnstaple parish and Newport parish ward. - • Gunn – move to Goodleigh parish.

Once the changes are put in place it will mean that people living in the areas affected will become part of different parishes and vote for different parish councils in future elections, including the parish and district elections on Thursday 2 May. - Head of Corporate and Community Services at North Devon Council, Ken Miles, says: "The main issues we consider when proposing changes to any wards are the impacts on community engagement, cohesiveness of communities, local democracy and the delivery of local services. - As part of the review we carried out a consultation to allow residents to get involved and let us know their thoughts on the proposals before taking them any further." - The changes were proposed following a Community Governance Review (CGR) which allows the council to review electoral arrangements for all or part of the North Devon district. - Full details of the approved proposals, including maps can be found on the voting and elections pages of the council website - www.northdevon.gov.uk/elections. - Before going to Full Council the proposals were also approved by the council's Ethics Committee at their meeting on 23 Jan-

SHOES FOR AFRICA

Hi, my name is Persephone Allaway and I am working towards my silver Duke of Edinburgh award. I would like to set up a project to collect used shoes which will be sent to children and adults in Africa. I want to try and help other people who are less fortunate than us, so I would like to collect any types of shoes: sandals, trainers, boots, both adults and children. These shoes must be in satisfactory condition so that they can be worn again by somebody else. Outside my house I will put a green bin with the label, "Shoes for Africa" so feel free to come and put the shoes in there. Landkey Stores have kindly agreed to have a box outside the shop for the shoes. Alternatively, you can phone us and we will come to you to collect them, just give us your details, we have an answer message machine so feel free to leave a message. This is our address: 6 Cherry Tree Drive, Landkey EX32 0UE and our phone number is: 01271 831530
