PROPOSED NEW COMMUNITY BUILDING

Landkey residents will be aware that the Parish Council has acquired land bordering the Millennium Green which it is hoped will be the site of a new community building - Landkey Mazzard Hall. A steering group has been set up to initially look at the feasibility of the project and a website, Facebook page and public survey will be commissioned shortly which will enable residents to 'have their say' and ask questions about the project. It is early days and it could be a few years before the dream is realised but your input will be vital as we move forward to provide this facility for the village

NEW TRUSTEES FOR MILLENNIUM GREEN...AND AN AGM

The Millennium Green is a charity, run by a small group of friendly trustees. If you would like to help this important and popular attraction please take a look at our pages on www.landkeyvillage.com for more info, and let us know. (E-mail Michael Gee at m.gee320@btinternet.com). Karen Trigger, our Treasurer, will be retiring in September, so somebody who could take on her role would be particularly helpful.

The LMG Trust's AGM will take place at 7pm on Tuesday 22nd June in the Village Hall, (subject to no further restrictions). The meeting is open to all and usually quite short, but it is an important occasion for trustees to meet concerned villagers and to hear their views.

HAY-MAKING ON THE GREEN

We are trying to make the Green an even better place for birds and wildlife, as well as increasing the natural attractions for us to admire. As well as making the woodland, hedges and old leat more wildlife friendly we're introducing areas of meadow. These will need cutting, probably in late July, after which we'll collect the hay. There's a full story on our pages on www.landkeyvillage.com. We want help with our hay-making party, -let Ben Totterdell (btotts@gmail.com) know if you are interested in joining this fun event for a few hours, and he'll update you with details.

HAPPY BIRTHDAY TO THE MILLENNIUM GREEN

The Green is 21 years old, so note the date of party on the Green from 2pm on Saturday, 4th September. There'll be full details in the next Newsletter. As part of the celebrations there is a PHOTOGRAPHIC COMPETITION with prizes of £100, (details on www.landkeyvillage.com).

St Paul's: A Church for the Future?

The events of the past year have had unwelcome effects on many village organisations, including our Anglican parish church, St Paul's. Restrictions caused by the pandemic are, thankfully, easing and we are now focusing our attention on the future. We believe that there is support for St Paul's from within our growing parish and we would like to build on that to create a church which will serve the needs of its community in the years ahead. Among plans under consideration is the installation of a toilet to help make the building more versatile. Opening the building more often than just on Sunday mornings is an objective, as is the wish to broaden the range of services held, while retaining their reverence. We now have an internet connection making the streaming of services online possible and we would like to upgrade the current technology to reduce our reliance on printed material. Landkey is fortunate to have a beautiful historic church in its midst and it is our aim to ensure that its future is secured for generations to come! If you would like to be a part of this endeavour, please visit our website (www.landkeyparishchurch.org) for further information and contact details.

RECYCLING ON WINDY DAYS. Flatten your cans and your cardboard, they are less likely to be blown out as it does not fill your box and takes less room in the lorry. When you pick up your empty recycle box, please clear up anything around that may have been blown out or dropped... **KEEP LANDKEY TIDY.**

NEWSLETTER

We do apologise to all who do not have internet access and have not been able to see the last few newsletters. This was done to protect our volunteers who deliver them. Hopefully we are now back to normal deliveries. Stay safe everyone.

SENIOR CITIZENS

After much deliberation and some consultation, we have decided the sensible thing to do is postpone the Outing, yet again. Hopefully we will get to Padstow on 21st May 2022.
