PROPOSED NEW COMMUNITY BUILDING

The project group investigating a potential new building for Landkey have made good progress in recent weeks. The website www.landkeymazzardhall.com has up to date details and links to the initial on-line survey. If anyone knows someone who has difficulties in using an on-line survey then please contact the group via the website to request an alternative format.

Signs publicising the project are now on the perimeter fence above the Millennium Green and later this year a public meeting will be arranged to allow all to learn more and have a say in what type of new facility we may want in Landkey.

HAPPY BIRTHDAY TO THE MILLENNIUM GREEN

COME TO THE GREEN'S 21st BIRTHDAY PARTY

Saturday, 4th September, 2-4.30pm

Landkey Millennium Green is twenty one, so we're having a party. There'll be drinks and cakes on the Green and Cream Teas in the Village Hall. But why not arrive early with a rug and your picnic lunch?

There'll be a balloon flight, (see www.landkeyvillage.com nearer the time for details), and a BIRDS OF PREY DEMONSTRATION. For families there'll be games and treasure hunts. There'll be a marquee with stalls, and you can learn about the Green with guided walks and our new birthday brochure. - All free thanks to generous sponsors.

Why not bring your camera and take photos for our PHOTOGRAPHIC COMPETITION? £100 PRIZE, with details set out on Millennium Green News page of www.landkeyvillage.com.

Entries must be received by 1st November.

Link Road Works

Many villagers have been affected by the disruption caused in Landkey and have expressed their frustration with the lack of contingencies to prevent speeding and congestion. Devon County Council have now created a liaison group involving the Highways Officers, the main contractor and Parish Council representation from the affected villages. This body will meet monthly and the Parish Council will report back via its own meeting minutes. Measures already suggested include traffic calming installations, extra speed restrictions and proper monitoring of the effect this work is having in Landkey and other affected villages.

St Paul's Church – A New Start?

Following the lifting of almost all remaining Covid-19 restrictions on 19th July, procedures at St Paul's, our Anglican parish church, will be similarly eased. It will be a gradual process, though, as we want churchgoers to feel comfortable at a time when infection rates are still high. The only substantial change during August will be the reintroduction of congregational singing, which is optional, of course. A fuller description of our new procedures is available on the website. Behind the scenes, we have been working to modernise some of the ways in which we hold services, developing technology used to get us through the pandemic. Worship at St Paul's

will retain its reverence, though! In September, we plan to start holding events again, details also on the website. Having come through the pandemic, we hope that this will be a new start. Why not come along and find out what is happening at St Paul's and, maybe, even help us build a church for Landkey fit for the future?!

The Landkey Community Shield

This year the Shield has been awarded to The Landkey Millennium
Green Trust, a group of of volunteers who provide and maintain the
wonderful facility in the heart of our village. This year the
Millennium Green Trust celebrates 21 years and in recent times has
proved an invaluable green space for all to enjoy. John and Janette
at Landkey Stores were flattered by the many wishes that they re-
ceive the award but as past winners they felt it fitting to recognise
the hard work and long service by this much valued group.
