NEW COMMUNITY CENTRE PLANS

The Parish Council wishes to advise that it has submitted an OUTLINE planning application to site a new Community Centre on land adjacent to the football pavilion and top playing field at the entrance to the Millennium Green. This application was made to establish the future viability of this site (from a Planning perspective) for such a village facility. If granted the Parish Council will then hold a public meeting (to be publicised in advance) where all Parishioners can attend and have a view on how/what are the next steps should any plans be pursued.

This site was selected as one of the only available Parish Council owned pieces of land located in a central village position that can accommodate a suitable building with adequate access and parking provision.

The provision of a new Community Centre that is able to meet the various needs of our large and still growing village has long been identified as a priority for Landkey. The Parish Council is keen to stress that any decisions regarding the possible development of such a facility will need the support and input of both residents and community/user groups of Landkey to take it forward.

As soon as there is any news on the Outline Application the Parish Council will arrange a Village Consultation event as outlined above.

DESSERT EVENING

Landkey Village Hall on **Friday 10th July**, Music with Bett and lots of scrumptious desserts, raffle prizes, only £3.50 per ticket, available from Margaret 831543 or any committee member.

ST PAUL'S CHURCH

We would like to thank all in the village who gave so generously to Christian Aid in May enabling a total of £596.64 to be raised. We also thank the collectors who gave up their time for this worthy cause.

On Tuesday afternoons during August and on **Saturday 29th August**, the church will be holding a series of Open Afternoons. Visitors will be welcome to call in and take part, if they wish, in a guided tour of the church in which many of the historical features of the building will be described. The tours will be particularly significant this year as the Acland Memorial in the Lady Chapel has recently been restored. Come along if you can, especially as there will be a cup of tea on offer! We welcome all who would like to join us for our regular Sunday services which are usually held at 10:30am. Holy Communion is normally offered at our services except on the third Sunday in the month when a Family Service is held and which does not include Communion. Our Family Services are enjoyed by the families who come along and they usually include a themed talk aimed at children on a well-known topic from the Bible. Further information, including details on the Open Afternoons, may be found at www.landkeyparishchurch.org

LANDKEY HORTICULTURAL SHOW

Cream teas, ice-creams, hot dogs etc. will be available. Displays, stalls, games and competitions as well as a draw will be on the field through the afternoon. An auction of a lot of the exhibits will be held at the end of the afternoon.

You could enter exhibits yourself, details of which are in the schedules delivered to members and available to everyone from the Shop and Post Office. Anyone can enter and there are so many different classes there must be something for everyone. We support local charities with money raised at this event so please come along and support us!
